PROFILE

I am an ambitious Web Developer from Nigeria who brings enthusiasm and detailed understanding of various programming languages to webpages planning, development, and maintenance.

EDUCATION

NATIONAL OPEN UNIVERSITY OF NIGERIA

BSc. Computer Science, 2014 - 2019

EXPERIENCE

DE CLOUD 23 SYSTEM INFOTECH LTD

Working with De Cloud 23 makes me gain a lot of experience in building various types of websites using HTML, CSS, Bootstrap, and JavaScript

RESPONSIVE WEB DESIGN

A website is not complete without making it responsive on different devices. I have a good knowledge of making a website that works across all devices.
